PRICELIST FOR THE SEASON 1955-56

Address: P.O Box 498, Elverta, California,
'Phone Pleasant Grove 2595.

All quotations in this list are subject to stock being unsold and to market changes, without notice. This list cancels all previous printed prices. NO CLAIMS ALLOWED UNLESS MADE WITHIN 10 DAYS AFTER RECEIPT OF NURSERY STOCK.

Terms: 30 days net, 6% interest after 30 days. Boxing or baling at cost. Free delivery of truck loads within radius of 100 miles from Riego. We combine orders to make a truck load for customers on the same route.

NON WARRANTY- It is expressly understood that any order for nursery stock is accepted on the condition precedent there is no warranty expressed nor implied as to description, quality or any other qualifications whatsoever, and that any liability is limited to the purchase price of the stock purchased.

Gray's nurseries are located outside of and far from any quarantine area and the nursery stock can be shipped anywhere without restrictions. We grow all our own stock.

The State law requires that all nursery stock must be inspected at point of destination and we send your Inspector our notice of delivery.

The prices included in this Pricelist apply only to licensed nurserymen. We make no additional charge for less than 10 trees of a kind, when included in a general order. We grow only yearling Fruit trees, for we consider a yearling tree hardier than a June bud for family orchard use, and especially when grown on decomposed granite soil, of the Sierra Nevada foothill type.

OUR LOCATION:- Nurseries and growing grounds at Riego, Placer County, California, 15 miles north of Sacramento, and 35 miles south of Marysville on Marysville Road, 10 miles west of Roseville on Base Line Road, 4 miles north of Rio Linda.
